## AMERICAN HINDU COALITION CELEBRATES ELECTION NIGHT WITH VIRGINIA GOVERNOR-ELECT GLENN YOUNGKIN

*Hindu American Virginians cast the decisive vote for election victory*

**Chantilly, Virginia – November 2, 2021** - American Hindu Coalition (AHC) endorsed Glenn Youngkin for Virginia Governor early because of his principled and inclusive leadership on key issues: cut taxes, roll back the size of government, and raise academic standards in K-12 education. The AHC leadership met with Mr. Youngkin before his official announcement as a GOP candidate for Governor and campaigned with him to deliver election victory – primary and general election. AHC members, who also founded the parents’ coalition for Thomas Jefferson High School, led the Youngkin Campaign’s “Educators Coalition” and the campaign’s

education policy development. Electioneering messaging recommended in AHC’s Education Platform – “Listen to parents” and “schools must teach children how to think and not what to think” – became the rallying cry for parents throughout Virginia and noted as such in Mr. Youngkin’s victory speech.
