## AMERICAN HINDU COALITION WINS IN US SUPREME COURT RULING BANNING USE OF RACE AS A CRITERIA IN COLLEGE ADMISSION

**WASHINGTON, DC – June 29, 2023.** Today, the American Hindu Coalition (AHC), a coalition partner of Students for Fair Admission (SFFA) [Plaintiff], celebrates victory with the Supreme Court ruling against Harvard and University of North Carolina, Chapel Hill [Defendants].

This landmark ruling ends use of race as a factor in college admission, pointing to an ill-defined identification of black or Hispanic students and race rather than merit as determinative of admission offers (i.e., standardized test scores, grades, or extracurricular activities). Indeed, Asian Americans students, of whom a growing majority are Hindu Americans, were denied admission because of their race at a rate of 4 to 10 times higher than their black or Hispanic counterparts, despite the merit of their application. *Text of US Supreme Court's landmark decision:* [20-1199 Students for Fair Admissions, Inc. v. President and Fellows of Harvard College \(06/29/2023\)](#) ([supremecourt.gov](http://supremecourt.gov))

**Join us and be the change** – as we continue to represent Hindu Americans in political advocacy of merit-centric education and employment practices in furtherance of the Supreme Court ruling, which requires merit in college admissions and promises to impact unconstitutional DEI (Diversity, Equity, Inclusion) policy in State/local education as well as in hiring and promotion practices, both in the private and public sector.
